

6th Grade Classroom Supplies List 23-24

At Harbor View Elementary School, we want every child to feel welcomed and excited about attending their first day of school regardless of whether he/she contributes to the classroom supplies. Learning at Harbor View Elementary School is free for all students, and all students will be welcomed with enthusiasm. No child is required to contribute to classroom supplies, and every child will be provided with the necessary materials to learn.

We also recognize that many of our students and their families are anxious to contribute to our school by donating some of the supplies we use for learning. If you are interested in donating items to your child's classroom, please refer to the supply list below.

We look forward to learning with you this school year.
